

FDXL200 LEATHER BOOT

Built to keep you energized during long 24 hour days, the FDXL200 Firefighting Boot outperforms standards with a combination of technologies and materials that make it the best choice for slip resistance, flame resistance, liquid and bacterial protection, comfort and durability.

Certified to NFPA 1971 & 1992

EASY DON AND DOFF

Quickly don with wide integrated pull handles, reinforced with an extra layer of leather for longevity

HAZARDOUS LIQUID RESISTANCE

Arrive on scene with confidence knowing the FDXL200 is lined with GORE® CROSSTECH®'s military footwear barrier system and certified to NFPA 1992 to protect against liquid, bacterial & chemical hazards

QUALITY LEATHER

Feel extra comfort & protection with shin cushioning & Flame Stop leather - made from the finest U.S. steer

FLEX AND MOBILITY

Climb and crawl with greater mobility. Additional flex points at the ankle eliminate pitch points and allow for a larger range of motion

IMPACT, COMPRESSION AND PUNCTURE RESISTANCE

Stay light on your toes and avoid injury with a non-conductive composite toe cap which is NFPA, CSA, ANSI compliant

LONG-LASTING SUPPORT

Stay energized during long hours with a naturally-shaped, shock absorbent sole that features toe & heel springs to reduce impact zones
